Re: LightSquared Subsidiary, LLC
Ex Parte Communication. IB Docket No. 11-109
IBSF File No. SAT-MOD-20101118-00239

I am **opposed** to the LightSquared Subsidiary, LLC, should not be allowed to go forward until it is shown that their plan will not interfere with high-precision GPS. I am **opposed** to LightSquared's request (which ignores the recent independent test results) to affirm its license and its request to go forward with its plan".

Thank you for your consideration,
